## CONTENTS

1. BT's Commitment
2. Limits
3. Payment of Claims
4. Application of this Scheme
5. Making a Claim
6. Definitions

### 1. BT'S COMMITMENT

1.1 BT will repair a Service Failure in line with the timescales set out in the Service Schedule.

1.2 Service Failure is;

- (a) For the services set out in 4.1 below, excluding BT Business Total Broadband Network and BT Business Total Broadband Network Premium;

Total loss of internet access – the Customer has no internet access due to a fault in any part of BT's broadband network up to and including the main telephone socket in the Customer's property or up to and including the router/hub if provided by BT.

- (b) For BT Business Total Broadband Network and BT Business Broadband Total Network Premium;

i) Total loss of internet access – the Customer has no internet access due to a fault in any part of BT's network up to and including the main telephone socket in the Customer's property or up to the router/hub if provided by BT and if still in the Guarantee Period.

ii) Email availability - if the Customer is unable to send and receive email via the BT Business Connect mail platform;

iii) Web site availability - if third parties are unable to access the Customer's BT Business Broadband-hosted web site via the internet.

#### Service Level Credit

1.3 If BT is late in repairing a Service Failure the Customer may claim a one off Service Level Credit of £25.00.

## 2. LIMITS

2.1 With the exception of Customers who have BT Business Total Broadband Network and BT Business Total Broadband Network Premium, Customers may not make more than one claim in relation to a fault or for a series of connected faults. The maximum BT will credit the Customer is limited to one Service Level Credit per month.

2.2 Customers may not claim a Service Level Credit under this Contract for BT Business Broadband Access Services if the Service Failure is as a result of a loss of service on the access line provided by BT and they have claimed under the Customer Service Compensation Scheme under the Contract for Access Services.

## 3. PAYMENT OF CLAIMS

Any Service Level Credit that BT owes to the Customer under this Contract will be applied as a credit against the advance rental due on the broadband line experiencing the fault.

## 4. APPLICATION OF SERVICE LEVEL CREDITS

4.1 Service Level Credits are only available on the following services BT provides to the Customer:

BT Business Total Broadband Office;  
BT Business Total Broadband Office Unlimited;  
BT Business Total Broadband Advance;  
BT Business Total Broadband Advance Support;  
BT Business Total Broadband Advance Support (Fibre);  
BT Infinity for business Option 1 Advance;  
BT Infinity for business Option 1 Advance Support;  
BT Infinity for business Option 2 Advance;  
BT Infinity for business Option 2 Advance Support;  
BT Infinity for business Option 3 Advance Support  
BT infinity for business Option 4 Advance Support  
BT Business Total Broadband Fibre;  
BT Business Total Broadband Fibre Plus;  
BT Business Total Broadband Fibre Elite.  
BT Business Total Broadband Network; and  
BT Business Total Broadband Network Premium

and do not apply to any service that is not expressly referred to in this Annex.

4.2 Service Level Credits will not be made by BT if:

- (a) someone, other than BT, has caused the fault;
- (b) BT asks for access to the Site and the Customer does not allow this (including where the Customer fails to accept an appointment time for an engineering visit allocated by BT within the timescales for repair);
- (c) following remote diagnostics, BT sends out a replacement hub within the timescales for repair set out in the Service Schedule and the Customer;
  - i) is not available to accept delivery and/or
  - ii) does not advise BT of receipt of delivery

within the timescales for repair;
- (d) BT reasonably asks for other help and the Customer does not provide it;
- (e) BT is unable to contact the Customer;
- (f) the fault is caused by the Customer or the Customer's own equipment;
- (g) the Customer cancels the fault report before BT have rectified the fault;
- (h) Customers have their access line with any other Communications Provider than BT and the fault is as a result of a failure of service on the access line;
- (i) BT's failure is due to matters beyond its reasonable control as set out in clause 9 of the Conditions

4.3 If the Customer reports a fault and BT finds there is none or the fault falls within the scope of paragraph 4.2 above BT may apply a charge.

**5. MAKING A CLAIM**

The Customer must make any claim by completing an online Claim Form, within 90 days from the date the fault was repaired.

**6. DEFINITIONS**
