

Changes to our BT Business Broadband Terms

Brief Description:

We're making some changes to our BT Business Broadband Schedule to the General Terms. These will come into effect on 10 April 2017 and will apply to your existing contract with us for BT Business Broadband.

Nothing is changing about your service or the way we deliver it, but from 10 April 2017 all the terms applying to Microsoft® Office 365 (currently set out at Paragraph 3.5) will be moved to a new Value Added Services Annex to the BT Business Broadband Schedule (pre 10 April 2017).

From 10 April 2017, you can view the new terms at www.bt.com/terms under the "Broadband and Internet Services" dropdown.
